"Criniti's Woolloomooloo hosted my birthday this year and I could not fault both the service and food, which was nothing short of exceptional. **I loved that the management team were so flexible and accommodating as it made the planning and styling so seamless. My guests and I absolutely loved the overall experience that the team at Criniti's provided us with and I will definitely be recommending this venue to prospective clients, family and friends.**"

"We have held a number of private and corporate events at Criniti's Woolloomooloo and each occasion has been outstanding. The venue itself is perfect, as it looks over the water and is minutes away from the Sydney CBD. **It can cater for big events or small private events.** Criniti's are always accommodating when it comes to their food, and are exceptional when catering for peoples varied dietary requirements. Their food and beverage packages are always reasonably priced and of the utmost quality.

REBECCA

"I had over 100 guests for my wedding at Criniti's Woolloomooloo, but I wanted it to feel low key and intimate, and that's exactly what they delivered! It felt like a big family dinner, but the execution was really professional. **They took care of everything – stunning cake, beautiful decorations and incredible food – which left me free to just enjoy the day** as I didn't have to worry about a thing. To top it all off, the service was second to none. We really felt like the staff were just as excited as we were for our big day, that made it extra special for us! I can't speak highly enough of the team at Criniti's, they really exceeded my expectations."
